

FLEETWOOD 150TH LEGENDS
APRIL 1, 2023

Submit your family member, friend or group as a "Legend of Fleetwood". We are looking for submissions on people that have impacted and contributed to Fleetwood over the 150 years. We encourage you to submit your entry as soon as possible. These "Legends" will be highlighted around the prestigious Moselem Springs Golf Club's course and in the clubhouse with their picture and their story on a banner during the Fleetwood's Legends Golf Tournament held June 26, 2023. We will also be displaying these banners throughout our Fleetwood Gala and Open House at the Fleetwood Community Center on August 12, 2023, where the premier of Fleetwood's documentary will be shown at a ticketed event that evening. The entries will also be featured in the FLEETWOOD'S 150th SESQUICENTENNIAL book that will be distributed throughout the year long events.
