

FCCO

The Borough of Fleetwood is celebrating its 150th Sesquicentennial Anniversary in 2023 and we are inviting you to join in this historic milestone. As the chairperson for Fleetwood’s 150th anniversary and President of Fleetwood Council of Community Organizations (FCCO), we have a wonderful celebration planned. Our FCCO committee has worked diligently within our community to plan and design a celebration that encompasses all residents and businesses to benefit and enjoy together. Several sponsorship opportunities are available that will offer each sponsor with unprecedented levels of brand awareness and community goodwill.

Please consider one of these high impact sponsorship packages to receive incredible levels of recognition in the form of advertising and media exposure. The Fleetwood 150th Community appreciates your support in helping us provide a year of long-lasting memories for the residents of Fleetwood in 2023. None of this could be made possible without the support of sponsors like you. You will find our events schedule for our 150th anniversary included in this sponsorship packet. If you have a specific event, you have interest in sponsoring, you will find a section on the form that lists the events that you can select and donate towards. We hope you will join us in this partnership to celebrate Fleetwood.
