Single Family Residential One Story Detached Garage

How to Use this Guide

Provide three sets of plans and complete the following:

- 1. Complete this Building Guide** by filling in the blanks on page two, and indicating which construction details will be used.
- 2. Provide 3 Plot Plans** (site plan) showing dimensions of your project or addition, and indicating which construction details will be used.
- 3. Fill out a building permit application.**

The majority of permit applications are processed with little delay. The submitted documents will help determine if the project is in compliance with building safety codes, zoning ordinances and other applicable laws.
